Re: 2023 South Dakota Legislature, House Bill 1080, HELP, NOT HARM

LGB Patriots is a non-partisan, political group advocating on behalf of lesbian, gay men and bisexuals, (same-sex attracted people,) and who are loyal patriots to the countries which have granted them their rights, equal to all other citizens.

**Motto:** "Our 'pride' colors are red, white and blue, not rainbow."

LGB Patriots are HOMOSEXUALS and BISEXUALS, not TRANSSEXUALS.

LGB Patriots rejects the intrusion and inclusion of GENDER DYSPHORIA, (euphemistically called transgender or LGBT,) as a sexuality when it is a medical diagnosis of a BODY DYSPHORIA: the BODY knows FACT, male or female, the MIND believes FICTION; born in the wrong body.

Homosexuality is not a body dysphoria.

LGB Patriots strenuously rejects the holocaust being perpetrated on youth, in the realm of Nazi Dr. Mengele, in the name of gay under the misleading title; "Gender Affirming Healthcare," which results in actual damage to health and the need for constant care.

These "gender affirming" surgeries are experimental with life-long consequences. No child nor young adult should be persuaded nor encouraged that cutting up their perfect bodies will fix their minds.

These surgeries include double mastectomy, hysterectomy, vaginoplasty, (castration and inverting the penis into a surgeon created crotch hole,) phalloplasty, (slicing off a piece of forearm or thigh to create a fake penis.)

Along with cross-sex hormones, these youths are left sterilized for life, in constant pain, a life without sexual pleasure and medical and pharmaceutical patients for life.

Puberty blockers do not "pause" puberty, but irrevocably stunt normal adult development where boys are left with a child sized penis and girls left experiencing early osteoporosis and menopause.

One hundred year research on Gender, Body Dysphoria records as 000.1% of humanity, mostly boys. Now we have a 4000 to 5000% rapid onset Gender Dysphoria, mostly girls, through social media influence, political pressure and the falsehood of "126 genders" creating new markets for Big Medicine and Big Pharma. The CASH COWING.

But here is a caution: "There will be a day of sanity when we hold New Nuremberg Trials for Crimes Against Humanity." Where will you stand on trial day? In the defense dock or for prosecution?

**LGB Patriots unequivocally endorses 2023 South Dakota Legislature, House Bill 1080.**
